### **NOTICE OF PUBLIC WORKSHOP**

The City of Dorris City Council will hold a Public Workshop on Thursday, September 14, 2023, at 4:00 p.m. in the City of Dorris Council Chambers, 307 S. Main Street, Dorris, California on the following item:

#### **CITY OF DORRIS ZONING CODE UPDATE**

The City of Dorris is hosting a public workshop to discuss a proposed update of Title 18, Zoning, of the Dorris Municipal Code. The draft update was prepared with a SB 2 Planning Grant in order to eliminate constraints to the maintenance, improvement, and development of housing pursuant to Government Code Section 65583(c)(3); reflect changes to state law and case law; better define land uses, regulations, and exceptions; and facilitate development and redevelopment. As part of the project, approximately three acres of the Community Commercial (C-1) district would be rezoned to a new Mixed Use (M-U) district to better reflect existing development; provide for future integration of compatible residential and non-residential uses; improve access to housing, jobs, services, open space, and other destinations through non-vehicular transit modes; promote economic investment, redevelopment, and revitalization in the community; encourage a compact urban form; and safeguard the character of existing neighborhoods.

If you plan on attending the public workshop and need a special accommodation because of a sensory or mobility impairment/disability, or would like more information, please contact Joanna Wynant, City Administrator, Dorris City Hall, 307 S. Main Street, Dorris, California 96023, or by telephoning (530) 397-3511.
